Bonnie,

It just dawned on me that Rich wants to give a copy of the QAPP to Cabot. The QAPP contains Confidential Business Information (CBI). It also needs to be updated since it alludes to a dedicated team which we no longer have under our START contracts. I suggest we have TECHLAW update the QAPP and provide a revised QAPP and a revision that deletes any CBI. Only the document that deletes CBI should be shared with Cabot.

Karen and Andy,

I talked with Jerry about the QAPP. He sent Rich a message and is waiting to hear back from Rich. I'll pass along any update I receive.

Thanks, Bonnie
